Gradebook helps you keep track of the submission status of homework, and grades, if applicable.

The screenshot shows a web application interface for a gradebook. At the top, there's a navigation bar with a menu icon and a header area. Below the header, the user is logged in as 'Billy Breadstick's homework'. The main content area displays a grid of homework items. Each item includes a title, a submission status (e.g., Submitted, Submitted late, Absent, Resubmission, Not submitted), and a grade (e.g., B, 8/10, A). A 'Quiz test' badge is visible on the 'Capitals of the world' item, and a 'Numeracy test' badge is on the '7 times table' item. The interface also includes filters for 'All subjects', 'All teachers', and 'Select status', along with a 'Homework search' field.
