Dear Parent/Carer

### **Turbo Maths**

In order to support your son/daughter's learning and progress within Mathematics, we are offering an additional session each Wednesday from 4.00 – 4.45 p.m. This session aims to accelerate progress and support Mathematics learning at this crucial time.

The sessions will focus on key topics areas that will consolidate their understanding and boost confidence. Clearly, this will support their attainment in their examinations. It is vital that your son/daughter attends these sessions to ensure that they are giving themselves the best possible opportunity to achieve well in GCSE Mathematics.
