Dear Sir or Madam

**Innovation Fair 2016: Friday 29 January 2016**  
**Time: 1.40 – 3.00 p.m.**

We would like to invite you to be a part of our annual Innovation Fair event held on **Friday 29 January 2016** from **1.40 – 3.00 p.m.** This is a highly successful event held every year that was previously called Trade Fair, we are continuing to build on the success of past events to continue to develop our students' learning and expertise.

This year again embraces the theme of sustainability and the environment. Our Year 8 students have been working in teams to produce solutions to real world problems connected to the environment, in particular the theme of flooding. On 29 January the students will share their solutions, display their models and showcase their work to visitors.

Should you wish, you can give feedback to the students to help them improve their further learning and vote for the group (or individuals) that has made the biggest impact on you. There will be refreshments provided and past visitors have commented on how welcome they are made to feel.

We hope that you will be able to share in the success of this year's event as students benefit greatly from interaction with members of our local community. If you are able to join us, please email [ndobson@landau-forte.org.uk](mailto:ndobson@landau-forte.org.uk) in order to book your place by **Friday 22 January 2016**. We do understand that you are very busy and if you are unable to attend, we would be delighted if you would nominate a colleague who could support this exciting event.

Please accept our sincere thanks for your time and we look forward to welcoming you to Landau Forte College Derby.

Yours faithfully

A handwritten signature in black ink, appearing to read 'A Brannick'.
