Visit to Twycross Zoo, Wednesday 4 May 2016

We are organising a visit to Twycross Zoo on Wednesday 4 May 2016. The purpose of the visit is to give post-16 Biology students the opportunity to receive lectures from zoo experts on animal behaviour and to observe the behaviour of primates first hand as part of their A level Biology unit on Animal Behaviour and Social behaviour in the Great Apes.

Students will leave College by coach at 9.00am and will leave the zoo at 3.15pm, arriving back at College at around 4.00pm. Lunch will not be provided though there are plenty of cafes and restaurants at the zoo as well as picnic areas where students may eat a packed lunch.

The cost of the visit will be £22.00. This includes entry to the zoo, the cost of the lecture and workshop materials provided by the education centre, and transport to and from the zoo. Not included are personal spending money and the cost of lunch.

Students will not be required to be in college dress but will need to be appropriately attired. They have been briefed on appropriate clothing for the visit.

If you would like your child to take part in the visit please return the attached pro-forma to Reception, together with a payment of £22.00, by Tuesday 3 May. You can also make the payment via our online payment system, Parent Pay.

If insufficient numbers of students wish to go, then the College reserves the right to cancel the visit.

If you have any concerns regarding costs for this visit, please contact Mrs K Broderick, PA to the Principal, in confidence.

Yours sincerely

Mr S Hardy
Tutor of Science and Curriculum Coordinator for 16-19 Biology
