The Information Centre will be open after College until 4.30pm for homework/quiet study

# What Went Well

## Performing Arts

**AW** - On Friday 29 September the musician Rich Cottell came into College to work with the Y9 and 10 Performing Arts students. Following on from the success of last year's workshop with our current Y11, the students were able to create original songs which they composed the scores and wrote the lyrics for. In addition to performing their own work, Rich also performed for the students (which Y7 were also invited to be an audience for) and even got some of them up on stage with him! An extremely rewarding day filled with hard work and fun!

## LFCD Celebrates Black History Month

**ABR** - Last week students at Landau Forte College Derby delivered a series of powerful gatherings to their peers to promote the importance of Black History Month (BHM). The gatherings covered the reasons for the need for BHM and important role models and inspirational figures from the black community including Katherine Johnson, a mathematician who conducted ground breaking work for NASA for several decades. The students were clear that even today discrimination is still present in many forms and it is crucial that we work together to understand, appreciate and celebrate our diversity.

## Macmillan Coffee Morning Success

**ABR** - Students from Year 9 organised the recent Macmillan Coffee Morning at the College. The event was well attended, with cake donations from staff and students alike!

Over £150 was raised for a great cause.

Well done to Ellie, Cody and Amelia.

## Handball

This week saw the first interdivision competition at Landau. The sports council organised both of the Handball tournaments and worked incredibly hard. We had a great turn out of students who showed great effort and determination to succeed for their division. The results are:

**The winners of the boys were – Division 5!**

**The winners of the girls were – Division 1!**

## An Email from our Founder

**JKK** - We received the following email from Martin Landau, one of the founding sponsors of Landau Forte College, congratulating us on our hard work following Alison's good news story in last weeks' bulletin.

*Dear Jessica*

*Please convey to Alison and all her team my congratulations on all the fine work they are doing at Derby. I look forward to my next visit*

*Kind regards*

*Martin Landau*

## Student Support

### Bereavement Group

It is a sad fact of life that we will all experience the loss of someone very special at some point in our lives. Children and young people often find the response to this quite overwhelming and finding a way to cope with grief is not always easy.

Having the support of others is often the best way to deal with loss and most young people will have the support of family. However, that may be difficult especially if they too are grieving over the loss of a family member.

The support of a group is sometimes very helpful, you can share your feelings, talk about how you cope, share your difficulties, hear others' experiences and support each other in grief.

A Bereavement Group will start next Term for anyone who would like to support and be supported by others. If you feel this would help you through a sad and difficult time, please speak to Mrs Burton or your Personal Tutor
