Dear Parent/Carer

As we approach the final stages of the examinations, I am writing to inform you of the revised timetable for this week. I have been extremely impressed in the way our students have prepared for their examinations and conducted themselves through this challenging period. Please continue to refer to exam timetables for specific exams and start times.

- Monday 11 June – students will be expected to attend College all day
- Tuesday 12 June – students will be released after their examination
- Wednesday 13 June – students will be released after their examination
- Thursday 14 June – Students sitting their Spanish exam can attend a Science revision session after their exam and leave College at 11:30. Students studying German have a compulsory revision sessions 1+2 and can attend a Science revision session 3. For students who do not study a language, there is an optional Science revision session 3. All students must leave College by 11:30.
- Friday 15 June – students will be released after their examination

Many thanks for your continued support – I look forward to seeing you on results day!

Yours sincerely
