February 2019

Dear Parent/Carer

13-16 Curriculum Pathways

I would like to invite you to an Information Evening regarding your child's Pathway for 13-16 Education on **Wednesday 6 March 2019 at 5.00 pm** in the Theatre. This is an important time for your child, as we now make key decisions about the courses to be studied to examination level.

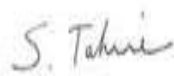

During Gathering, students will learn about the pathway process, where they will also receive their 13-16 Curriculum Pathways booklet. The Information Evening is for parents/carers only, and is your opportunity to ask questions regarding your child's Pathway.

On Wednesday 9 January, all Year 8 students completed progression pathway seminars and on Monday 29 January, students were involved in a whole day event in College, called Teen Tech where students learnt about careers of the future. These encouraged students to begin thinking about future aspirations as they select their subject preferences.

In addition, you will be invited to a parent/carers evening on Wednesday 20 March. The evening will allow you an opportunity to ask key questions with your child's Learning Tutors, in order to support you about your child's pathway. Further information about the evening will be distributed in due course.

Please return the attached pro-forma as soon as possible indicating how many seats you would like for the information evening. I look forward to seeing you on this occasion.

Yours sincerely

Mr S J Tabiner
Head of Year 8
