Equipment needed for sessions:		What can you do to support your child?		
Students need to wear their Summer PE kit (white polo shirt and shorts or tracksuit bottoms.) All students have bare feet for these sessions. Students need a blue/black pen and their planner.		Ensure they have the correct kit and are bringing it to dance sessions. Encourage your child to remember the phrases learnt by practicing in between learning sessions.		
How will learning be assessed and progress measured?		Extension and enrichment activities:		
Through tutor observation and regular verbal feedback. Formal performance assessments in front of their peers. Student guide work including individual target setting.		All students are given the opportunity to attend dancers' extension 3.30-4.30pm on Wednesdays or Thursdays. There is no audition, you just need to be committed to attend regularly. Opportunities to visit the Theatre. Performances both within College and in the local community.
