Dear Parent/Carer

As part of our virtual Learning for Life programme over the past couple of months, Year 13 students have been looking at financial planning and budgeting for university. Students are now able to apply online for their tuition and maintenance loans via Student Finance England and will be guided through this process in their Learning for Life sessions over the coming weeks. We have also put a handy Help Guide and link to a presentation by the University of Derby in the Financial Help section of the Sixth Form area on our website, to give parents/carers more information. This will guide you through the different types of finance available, repayments and the application process. Please note students have to reapply annually for Student Finance.

If you have any further queries please do not hesitate to contact me.

Yours sincerely

A handwritten signature in black ink, appearing to read 'A Quinn'.
