The cost for the whole week is **£58.00** per student which includes transport and food whilst on residential visit. Students are asked to bring their own sleeping bags and appropriate footwear such as sturdy training shoes. A 'kit list' for the residential visit will be issued nearer the time. If there are any concerns with financing your child's Enrichment Programme, please contact Miss Lauren Walendziewski in due course, and in confidence. Individual arrangements can be made to pay for the cost of the programme in weekly/monthly instalments.

Enrichment week has been launched with the students in a series of year group Gatherings at the start of term 2. The week is designed to give students the opportunity to work with their peers and staff in a different environment and with continued success, students will follow a varied programme, year by year.

Yours sincerely
