Your child has been working in collaboration with seventeen students from Emmanuel Primary School as part of an exciting art project that enhances their 'Community Art' unit in BTEC Art and Design.

I am pleased to inform you that their work will be exhibited publically at Belper Arts Trail from 30 April–2 May. On Monday 2 May, their work will be auctioned to raise money for the charity CAMHS, a mental health service for children.

The public and students are welcome to visit the trail anytime over these days. However on Monday 2 May, students would especially like to promote further fundraising activities. Year 13's will be devising a rota between themselves and each will attending a minimum of two hours that day. Their exhibition will be based in Belper Central Methodist Church.

We encourage you to visit and enjoy the trail and see for yourself first-hand these hand-made sculptures by your children. If you would like more information about the exhibition and Belper Arts Trail, please see the brochure overleaf.

Yours sincerely
