Dear Parent/Carer

The Young Professionals Conference UK - Derby Roundhouse Thursday 14 July 2016

This large event will bring 500 students together from throughout the East Midlands; where 20 different business employers such as Rolls-Royce, Barclays, Derby County, IBM, Experian and the NHS will be attending. Throughout the day, the students will listen to a number of keynote speeches from top business professionals and will have the opportunity to take part in some practical workshops that are industry-led. In the afternoon, the students will put into practice what they will have learnt in the morning from the business employers so that they can start taking action.

The whole aim of the day is to get students prepared for the world of work and give them the links into businesses at an early stage. It is also designed to help them in becoming Young Professionals themselves.

Student Experience on the day:

- Connect with local, national and international businesses
- Learn industry specifics direct from the professionals
- Career opportunities through apprenticeships
- Skills you need to land yourself a job
- Work experience and placements
- Practical hands-on workshops
- Starting your professional career early
- University routes.

We will travel by minibus, leaving College at 8.30am and returning at approximately 3.15pm. Students will need to bring a packed lunch and money for refreshments at the Roundhouse, and college dress must be worn.

There will be a charge of £5.00 per student for this visit. Please note that if insufficient numbers of students wish to go, then the College reserves the right to cancel the visit.

If you would like your son/daughter to take part in this visit please complete and return the form below and ask him/her to return it to Mrs N Murton by Monday 11 July 2016.

Yours sincerely
