The Information Centre will be open after College Monday - Thursday until 4.30pm for homework and quiet study

What Went Well

Performing Arts

CLC – On Tuesday 5 December, we took a group of Y9 and Y10 Performing Arts students to the Odeon Cinema to watch The Royal Ballet’s production of The Nutcracker. This screening was a live feed directly from The Royal Opera House in London and was one of 1500+ screenings across more than 35 countries! We all had a fantastic time and it was a great way to start the festive season!

Careers

STUDENTS GET CAREERS ADVICE FROM TOP EMPLOYERS

Landau Forte College Derby holds inspirational career talks by PwC and Rolls Royce

This term at Landau Forte College, Year 11 and Sixth Form students have been visited by top multinational companies, including PwC and Rolls Royce, to discuss career opportunities within their firms.

At one session, students were joined by a consultant at PwC, who gave an engaging presentation about different careers available within the company – which is a world-leading professional services firm and one of the top graduate recruiters in the UK. The students also heard from a graduate apprentice at the firm, who shared her recent experiences of navigating the world of work.

The presentation was followed by a question and answer session where the pupils quizzed the visitors on what skills and attributes are valued in the world of business, as well as exploring the different pathways which would allow them to begin their careers in the sector.

Last week, students also enjoyed a talk given by higher apprenticeship employees at Rolls Royce, who work across various areas of the global engineering firm. They were able to tell the students about ways of joining the company through their various apprenticeship schemes and give advice on the application process.

Students have said that these careers talks have been extremely informative, giving them useful guidance for Higher Education courses and an insight into potential career and apprenticeship pathways.

One student in particular said:

“The session with Rolls Royce massively helped me in choosing future goals. We were given some amazing information which really helped me learn about and understand the opportunities available there. I am hoping to start an apprenticeship there once I have finished my A Levels.”

Alison Brannick, Principal of Landau Forte College, said:

“Our students regularly go onto the best universities and employers in the country and effective, personalised next-steps guidance is extremely important in achieving this. It has therefore been brilliant to have top employers like PwC and Rolls Royce visit the College this term and give our students an insight into what careers with them are like, and what they need to do to stand out.

“Whatever pathway they choose to take, whether that’s university, an apprenticeship or further training, we always aim to give our students the advice they need to make the right choice for them. Events such as these widen our students’ horizons and show them the breadth of opportunities available to them.

“I’ve had some excellent feedback from the students about just how much they have enjoyed these visits and they seem genuinely enthused. I hope that each of them was able to take away some useful advice from the talks as they continue planning for their futures.”

Spreading Christmas Cheer!

ABR - Year 12 students at Landau Forte College arranged a food bank collection for the Hope Centre in Derby city centre prior to the Christmas break. An impressive amount of food was collected and the students were really keen to support those less fortunate than themselves at Christmas time.

Thank you to all who donated.

Raising Money for Derby Kids Camp

TAF - Year 13 BTEC Business Diploma students organised an excellent day of Christmas events to raise money for Derby Kids Camp. Students wore non-uniform including Christmas jumpers and colours and were able to visit stalls at breakfast and lunch time. Stalls included a Christmas raffle (with the main prize being a large Christmas Cake) and a cute Christmas Build a Bear, Samosa, Message in a Stocking and a Christmas Tombola.

Feedback from students highlighted that the favourite element of the day was Christmas Karaoke in the restaurant. Students and Staff sang along to Christmas tunes whilst lunch was served!

The total amount raised was **£1197** which goes to a deserving local cause.

College Sixth Former Makes England Debut!

ABR - One of Landau Forte College's Sixth Form students – Paris – has made a fantastic debut playing for England Ladies' U17 football team.

In a match at the end of 2017 at St George's Park in Staffordshire, Paris took to the midfield as she played for the first official time with the U17s. The game was an excellent end to the year, with the England squad triumphing after a tough 90 minutes with a 2-1 win against Japan.

Paris has made an incredibly impressive start to the Sixth Form, incorporating a demanding training regime around her studies to realise her dream of playing for England. Her debut performance against Japan has not gone unnoticed. She has since been selected for forthcoming friendlies against both Germany and Austria in Barcelona, which will take place later this month.

We wish Paris the very best of luck in her training and these upcoming fixtures!

Book Look

LAR - Book Look Gatherings have taken/ are taking place for all students in Year 7-11. Well done to Alyssa, Simie, Vlad, Aleena, Luca and Jaya for their contributions. These gatherings lead the way for the Book Brilliant competition this term. Each PT needs to nominate a student from their tutor groups from each year groups for consistent good effort, showing pride in their work and being 'Book Brilliant' (criteria in books). Heads of year will then decide one winner from each year group with me.

Upcoming Events

Teaching School

Improve your subject leadership: Geography session at LFC on Tuesday 16th at 4pm

Improve your subject leadership: Maths session at LFC on Wednesday 17th at 4pm

Improve your subject leadership: English session at LFC on Thursday 18th at 4pm

SSIF SLE Briefing for LLEs and SLEs Thursday 18th January twilight session starting at 4pm

Manny Nizzer's Uganda Project

Dear All,

My name is Manvinder Nizzer (Manny) and I am an ex-student of the College. I have been given the amazing opportunity to go to Uganda in the summer and carry on 11 years of extraordinary work by the Chellaston Academy Uganda Project.

The Project is now in its 12th year. Me and 28 others will be flying out to Uganda on July the 12th 2018 for 19 days. These 19 days will consist of charity work including teaching at Main Street Primary School, visiting the John Dickens and baby orphanages and the handicapped centres. Providing necessities and clothes in the local communities too, by handing out clothes and essentials on charity walks. We will also be working with a homeless centre and providing food and donations for them and constructing and building classrooms too.

As well as hosting charity event nights and fundraisers. I am seeking your support to donate what you can, for me to participate in this life-changing opportunity, both for me and the children in Kampala. Please donate, every penny counts.

Thank you very much!

Manny

IC News

Yu-Gi-Oh and Chess groups continue this term on Mondays and on Thursdays.

Films are shown from 3.20pm to 4.25pm during the week except on Fridays and the current showings are based on DRAGONS. Along with the films there is a DRAGON themed display in the Reading Corner with fiction and non-fiction books with a DRAGON significance. There is also a DRAGON quiz and a cut-out optical illusion DRAGON available (collect the templates and quiz sheets from the IC desk)

If you are studying Romeo and Juliet or Macbeth and need some extra information about the books or the life and times of William Shakespeare, there is a big display of posters, books and artefacts as you go into the IC, all watched over by the figure of Elizabeth I. You are welcome to borrow these books.
