What Went Well

Youth Mayor Elections

Hello

Firstly, I would like to thank you and your school and students for taking part in the recent Youth Mayor Elections.

The event was hugely successful. There were over 10,000 ballot papers issued for secondary pupils across 17 school and college venues. There were more than 7,000 votes cast, resulting in a 70% turnout.

In comparison, a normal Local Election across the city would have a turnout of 35%. We really appreciate the opportunity to engage with so many schools and young people across the city in encouraging them to experience the voting process. It all helps students to understand and take part when they are eligible to vote in traditional elections themselves on reaching 18.

The result of the Youth Mayor Election for 2018/19 is as follows:

The 2018/19 Youth Mayor will be Frederico, a Student at Bemrose School. The Deputy Youth Mayor will be Sonja, a Student at Derby College

Many congratulations to both candidates. They will take up their new roles when they are formally appointed at the Council's Annual Meeting in May 2018.

Special thanks to all of the candidates that took part in the process at the various stages, they all did incredibly well.

We look forward to working with you all again for the 2019/20 Youth Mayor Election. We will begin preparations for that in October. .

Thank you to those who have given feedback on how the process can be improved for future Youth Mayor Elections, this is appreciated. If anyone has any other comments or feedback do let us know.

Kind Regards,

Mick Styne

Year 8 Parents Evening

Hi,

I am writing with regards to the parents evening for my daughter Hawwa who is in year 8.

I would like to thank Mr Sakaria and Mrs Kenworthy for meeting with me today at short notice and with a full schedule. It was a productive afternoon and both myself and Hawwa have benefited from the discussions.

I appreciate all the hard work that the learning tutors have put in which is evident in the progress that Hawwa has made.

I look forward to working with the college to help Hawwa reach her full potential. The above wouldn't have been possible without the help of Landau Forte College.

Keep up the good work.

Regards

Mohammed Ahvais

Charity Netball Tournament

JKK – A charity netball tournament was held at the College on Sunday 28 January which was run by Katie Farelly, which some of our students attended. She is raising money for Pancreatic Cancer UK. The facilities were hired out to her free of charge so that every penny raised on the day could go towards this worthy cause. The tournament raised a total of £410. Katie is looking to hold a football tournament on the 8 April at the College in order to raise the remaining £280 of her target. Katie is also running the London Marathon for them on the 22 April.

Science Tutors

ABR - Thank you to our wonderful Year 10 triple scientists who have been giving up their time to tutor our hardworking students from Year 9. The tutors and the tutees have found this experience really rewarding and we are exceptionally proud of all students involved. Thank you to Mrs Osborne for organising this

International Women's Day

ABR - Students celebrated International Women's Day by sharing their thoughts on equality and women's rights. Over 100 hundred students shared their views on the importance of gender equality and raised issues about equal pay, gender prejudice, sexism and the exploitation of women. Thank you to all who contributed.

Upcoming Events

Sports Council

HLG - Sports council will be running activities for Sport Relief during week 3 and week 4. This will include gatherings for year 7 and year 8, and they will be visiting tutor time.

One of the events will be a sponsored Row-off between the sports council and staff. Therefore, any staff who would like to take part in this, please let me know!!

The more staff we have, the more exciting the event will be. It will be on Thursday 22 March, 3:30-4:30 in the sports hall.

Thank you!

History

AMB - Blake and Jonathan have been chosen to represent the College of the Lessons from Auschwitz project this year. Their first seminar is this weekend (4 March) prior to the actual visit to Auschwitz next week. They will likely be looking to organise a visit from a Holocaust survivor for Year 8 to share their experience.

Duke of Edinburgh Award.

DS - Navigational Practice Walks in the Peak District are on the following dates:

Silver – Saturday 10 March

Bronze – Saturday 17 March

Silver – Saturday 24 March

Why are we doing this...

...We have been given an opportunity to go on a once in a lifetime expedition to Nepal in 2019. For us to take part in this expedition we need to raise a total of £3800 per person. When in Nepal we will be taking part in a range of activities but the main part will be working in communities helping rebuild areas that were effected by the earthquakes in 2015.

History

AMB - Could we please look out for the following book in student's lockers and being used by students in tutor time – they should not be taken out of the History rooms. If you see any, please remove them from the student and return to history. Whilst I realise students are 'borrowing' them with the best intentions they are not being returned and we are currently missing nearly half a set of these, making it difficult to teach the course.
