What Went Well

Future First and IGD Workshops with Sixth Form Students

AKQ - On Thursday 19 April Future First and IGD, a research and training charity in grocery and distribution, brought 8 volunteers in to work with our Year 12 and 13 students. The volunteers were from a range of national businesses including retailers, manufacturers and the civil service; all with jobs linked to grocery and distribution. In the morning twenty-one Year 12 students took part in a workshop entitled 'Hidden Job Market' where they looked at the range of jobs available in the grocery and distribution sector, as well as learning how to introduce themselves and begin networking. They also spent time looking at examples of introductory e-mails and how to make a positive impression on-line.

In the afternoon a different group of twenty Year 12 and 13 students took part in 'Building My Brand'. This again encouraged them to introduce themselves in a professional manner and to network. This session then involved all of the students having a mini mock interview with the volunteers, and receiving individual feedback.

Both workshops were engaging and fun and really improved the confidence of those involved. The volunteers had a huge range of backgrounds and had very different ways that they ended up in their current jobs. This was a very important message and made the students realise that there are many different routes into jobs. We look forward to working with Future First and IGD again in the future.

Landau Forte students successfully participate in Franklin Scholars Regional Event

ABR - Students from Year 9 recently attended a Franklin Scholars Regional Event which included participants from schools across the East Midlands. The group of students had to put together a plan to support elderly people in their local area and reduce social isolation. The group came third and received a prize of £50 for the College. The students are currently deciding how to spend their winnings! Well done to all involved.

We also received the following email from Franklin Scholars, thanking us for our participation:

Hello Alison,

A heartfelt thank you for Landau Forte College Derby's contribution to making the Festival of Ideas a resounding success. Jenna, Nathaniel, Hisham, Gurvir and Abigail were excellent ambassadors for your school, demonstrating impressive creativity, collaboration and application. They said their favourite parts of the day were working with students from other schools during the ice breaker and coming third overall in Dragon's Den. If you would like to see more pictures from the day, [click here](#).

The Festival of Ideas was born out of our wish to amplify the impact we already have in our partner schools across the UK.

When asked at the end of the event:

98% of students agreed that they had developed key social and emotional skills,

85% of students think they are now more able to make a difference in their community, and

76% of students said they feel more confident talking to new people.

... which is great to hear.

Kind Regards,

Georgia

Further Spelling Bee success for Landau Forte College

JRC - Three Landau Forte students attended the regional final of this year's Modern Foreign Language Spelling Bee on 19 April at Stamford School. The competition, which is in its eighth year, is run by Routes into Languages, a government programme which aims to get more children and young people learning and enthusiastic about modern foreign languages (MFL) across the country.

The Foreign Language Spelling Bee is a national competition for students in Year 7 to practise and improve their vocabulary, spelling and memory skills in a foreign language. The College had three representatives in the regional final; Isla, Jasmine, and Samir.

Samir was the winner of the German competition, Jasmine was 3rd in the Spanish and Isla 4th in German, and all will represent the College in the national final in Cambridge on 29 June. This continues the College's consistent record of having at least one student in the national final every year that the competition has run. We are very proud of all three students' achievements and wish all of them the best of luck in June.

Upcoming Events

Teaching School

NPQSL training, delivered and hosted by LFC: Monday 30 April 9am to 3.30pm

SSIF2 launch at Derby Riverside Centre: Tuesday 1 May 9am to 1pm

Regional School Commissioner (SRIB) meeting in Sheffield Wednesday 2 May

SCITT

LFC is hosting a Train to Teach event on behalf of the Dept of Education on Wednesday 2 May from 3pm to 8pm. The conference room, theatre and presentation suite will be in use for this event. Over 200 people have registered to attend. Train to Teach events provide a wealth of information on how to get into teaching and how to apply for teacher training. Many local providers will also attend the event. Please share any family and friends who are interested in teaching.

Notifications

Information Centre

The Careers area has been moved to the opposite side of the Information Centre to create a larger and more suitable space for Careers Advisor Helen Suffolk-Adams and the students who visit her. There is also a big display of careers guidance for planning the future, with a quiet seating area for use whilst browsing the resources or waiting for an appointment.

A small Book Club style reading group are going to be meeting in the IC on a Monday tutor time. This will be self-run and the students will dipping into a collection of book sets, then using Book-Trust guides, will be discussing the material and completing suggested tasks. It is a very small group at the moment but would welcome further keen readers. Please send any new names to Ms Holme who will speak to the students.

The first wave of potential **Student Library Assistants** have been interviewed and 4 have so far agreed to take part, 2 of which have already been busy. The students helping out have been offered a gold smiley face lapel badge and at the moment **Grace** and **Chloe-Marie** are wearing theirs. Please ask them about the badges and hopefully they will be able to tell you about the Information Centre. The other students suggested have either declined or failed to communicate so if you have any other suggestions, please feel free to pass on their names to Ms Holme.
