NEWS AND INFORMATION FROM LFCD

## LFCD shows racism the red card!

Our recent non uniform day for the charity Show Racism the Red Card raised £975! Thank you to Landau Forte

MPs for organising the day and thank you to our school community for their great support. LFCD is proud to be

a diverse and inclusive community.

## Macmillan bake sale success

Students from Year 9 worked together to produce a tasty selection of baked treats to raise money for charity. The cupcakes and flapjacks were sold at lunchtime and raised a grand total of £200 for Macmillan Cancer Support. Well done to all students involved and thank you to Mrs Hacking for her support.

## Progress 8 GCSE success for LFCD!

We are pleased to announce that Landau Forte College Derby has again achieved the highest Progress 8 score of all secondary schools in Derby and Derbyshire. The Progress 8 score for the College is +0.67, placing us in the top 15% of schools in the country. This is a remarkable achievement and something for the College community to be very

proud of. Well done to the class of 2019 and thank you to our fantastic students and dedicated staff team. Progress 8 is a fairly new measure of GCSE school performance. It shows how well students of all abilities have progressed, compared to students with similar academic starting points in other schools in England.

## Black History Month celebrations!

Thank you to our students who delivered a fantastic series of House gatherings celebrating Black History Month. Students from Year 8 through to Year 13 worked together to produce informative and passionate gatherings discussing historical and current black role models, cultural appropriation, the importance of Afro hair in black culture and what Black History Month means to them.

In Tutor Time students have been studying black role models, including the recent gold medal World Athletics winners Dina Asher Smith and Katarina Johnson-Thompson.

### Restart a heart day

Huge thanks to staff from East Midlands Ambulance Service, St Johns Ambulance and Derbyshire Fire and Rescue Service who delivered informative training on the life saving skill of CPR to all our Year 8 students. We want our students to be equipped with the skills to look after each other and know what to do if they are ever faced with an emergency situation. Thank you to our students who participated in the event in a mature, sensible and sensitive manner.

### Year 11 Peak District Residential

Thank you to our amazing Year 11 students! It was an absolute pleasure to accompany our students on the recent residential to the Peak District. Students participated in a variety of adventurous outdoor activities, such as zip wire and high ropes, with determination and courage! We also focused on developing a positive mindset, student well being, managing examination stress and work load. A very successful residential visit!
